

GOSPODA U CHŁOPA

WŁADYSŁAWOWO

Welcome to Chłop!

We have been here for you for over 24 years, welcoming you in large numbers every summer and winter.

It is a great pleasure to host you in our cozy corners!

We hope to exceed your expectations and see you many more times in larger groups!

We are a place friendly to younger and older, two-legged and four-legged guests, but we kindly ask you to keep an eye on your little ones, as the waiters serve hot dishes and drinks. We ask that all pets be on a leash and remain at the table with you. We will gladly provide a bowl of water.

Please place your orders at the bar.

All dishes are served in sets. There are options for modifications. Fish is available in sets. Due to the type of service, please make payments at the bar when placing your order. We accept table reservations only for groups of 8 or more, with a minimum one-day notice. A deposit of 300 PLN is required (which will be usable during your visit). Unfortunately, we do not specialize in special cuisines - however, you can order a gluten-free dish or one without spices.

Rate the visit on Google Maps!
